

# 10th Annual Symposium on Gifted Education

## The Gifted Brain

Please join us for our **10th Annual Symposium** which will feature a range of speakers — psychologists, neuroscientists, and educators—who specialize in decoding the gifted brain and translating current brain research into practical classroom applications for gifted learners.

### Topics Include:

- Gifted Brain 101
- Intelligence Quotient (IQ)
- Emotional Intelligence (EQ)
- Twice Exceptional (2E) Brain

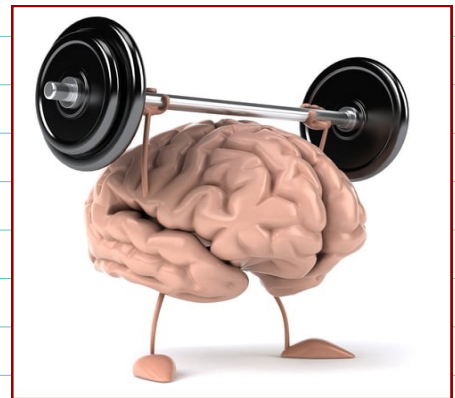

**December 15, 2018**

**1:00 p.m. to 5:15 p.m.**  
(Registration Opens at 12:30 p.m.)

**RFK Community Schools**

**Cocoanut Grove  
Theatre**

**701 S. Catalina St.  
Los Angeles, CA 90005**

## Registration Information

Registration is available: [HERE](#)

- This event is **FREE** and only open to LAUSD teachers and administrators (K-12). However, registrants who do **not** attend will be billed the **FULL** cost of attendance (\$300).
- Enrollment capacity is 400 with a limit of **four** participants per school. Additional enrollees from school sites will be dropped in the order of registration OR as determined by the school leadership team. (Check with your principal before enrolling.)
